GENERAL RULES FOR SHOWMANSHIP, EQUITATION, JUMPING & TRAIL OR RIDING PATTERN, ENGLISH/WESTERN

1. General Rules come from the 4-H Horse Contest Guide PNW574, available at the Extension Office.
2. Grooming of the project animal and herdsmanship must only be performed by the exhibitor; this includes clipping and washing the animal. In cases where exhibitors are too young and/or physically incapable of doing their own clipping, only bonafide FFA members may provide the needed assistance. Violations of this rule create loss of learning experience to the exhibitor and unfair competition to other members, particularly in showmanship contest, and are cause for disqualification of entry. Parental supervision is encouraged. However, in the event of an emergency which is endangering an exhibitor or someone from the public's safety, adult help is acceptable.
3. Skill level descriptions:
 - **Novice:** Open to any Equine project member. The move to advanced level will be automatic when a member receives Grand or Reserve Champion in any novice classes at the Kitsap County Fair, **at the discretion of the leader.** Does not apply to those members who change project animals. Bareback and Training classes are exempt from this rule. It is strongly recommended those 4-H members who participate (on a regular basis) at "A" & "B" system shows, participate in advanced classes. **It is the leaders' responsibility to monitor this when signing members up for Fair.**
 - **Advanced:** Open to any Equine project member who has advanced level skills in riding as determined by their 4-H leader. State 4-H Fair placements for intermediate and senior age divisions are selected from this level only. If a member changes to a new equine, they may select to go back to the novice level.
4. Permission Slips: You must have a "Permission to Ride Bareback" slip signed by a parent or guardian to ride bareback in bareback class, costume class, parade of champions, or during exercise time.
