SPECIAL ART DEPARTMENT RULES

1. All exhibitors must comply with the General rules and regulations as printed and approved by the Kitsap Fair and Stampede Board of Directors and Managers of the Kitsap Fair.
2. Pick up artwork on the Monday following the close of the Fair from 10:00 a.m. to 6:00 p.m. The Art Department, Fair Directors and Fair Management are not responsible for any exhibits not picked up by the posted times.
3. Special presentation and hanger rules are designed to enhance the exhibit and for the protection of exhibitor's art from fall damage.
4. All entries must be original art by the exhibitor. Copies from copyright materials and copies from art or the published photographs of others are not acceptable. Paint by numbers or purchased art kits will not be accepted in the art department.

5. Classroom work must be identified as a Lot 3.
6. Entries must be work that has not previously been exhibited at the Kitsap County Fair.
7. Semi-Pro Division shall be defined as any artist having previously sold art for profit and made a taxable amount of income from their sales. Any exhibitor who has not produced art with intent to market and who has not sold artwork shall enter into the Amateur Division.
8. Two pieces of work are allowed per class. Lot style unrestricted. The maximum number of entries is four per exhibitor.
9. Maximum overall presentation size shall not exceed 24 inches x 24 inches. Please contact the Superintendent via email in advance about exceptions.
10. The Superintendent reserves the right not to display any artwork judged to be inappropriate for display at a family fair. Nudity or sexual content will not be allowed to enter, no exceptions.

ART PRESENTATION GUIDELINES

1. **Regardless of Division**, all entries should be properly matted and/or framed, and have hooks or wire installed for hanging.
2. All lightweight artworks, such as those made on paper, shall be mounted on a stiff cardboard/foam board backing cut straight and squared and equipped with a self-adhesive plastic picture hanger suitable for hanging the art on pegboard hooks.
3. Wire hooks are optional for light-weight pieces; however, they are preferred for all artworks due to their stability.
4. Heavy-weight paintings, such as those on canvas, shall be equipped with eye screws and picture wire for hanging on pegboard hooks.
5. Glassed items shall be framed and wired for hanging on pegboard hooks.
6. We highly encourage individuals to properly mount, frame, and wire their pieces in advance.
7. **All entries should be made suitably for hanging on Pegboard hooks. DO NOT** use string, thread, tape, or metal saw-tooth hangers, or use frames that have these equipped. These may not support your artwork during the fair, and we do not want your work to fall down and be damaged. The artist is liable for any damages that may come from artwork(s) falling before or during the fair due to the listed above insecure hanging methods.
8. The Art department, Fair Directors, and Fair Management are not responsible for art that falls or has damage due to improper mounting & framing per art department rules and regulations.

NOTE: Hangers and matting services will be available at time of registration through The Artist's Edge. This will cost extra; prices range from \$.025 to \$25 or more depending on the scale and size of services needed. On average a self-adhesive plastic hanger will cost \$0.25 each, and a wire for hanging will cost \$5.00 per artwork.
